

Disclosure Form / Conflict of Interest

This page must be signed by the corresponding author on behalf of all the authors. A signature below certifies compliance with the following statements:

1. All authors have made substantive intellectual contributions to the article and assume full responsibility for its content.
2. The content of the article complies with the institutional review board approval and informed consent requirements stipulated in the Section on Institutional Review Board approval and Informed Consent of the Instruction for Authors.
3. The editor of this journal has been or will be informed of any proprietary or commercial interest or conflict of interest the authors may have that relates directly or indirectly to the subject of the article. Please choose one of the following: A. The authors and members of their immediate family do not have a financial interest (payments, stock holdings, consultancy, honoraria, or employment) or relationship in the past 3 years with any commercial company with potential financial interest in the subject matter contained in this manuscript. B. The authors and members of their immediate family do have or have had a financial interest or other relationship as defined above.
4. If this publication/research work has been supported by private/government/NIH/Industry, please provide details.
5. The authors affirm that if products discussed in the article are investigational products or products not labeled for use (off-label uses), they are identified as such.
6. This agreement has been signed by the corresponding author on behalf of all the authors who contributed to the article.
7. Authors who were US government employees when the work was conducted must sign the Federal Employment statement below.

If you are a federal employee, please fill in the following: I/We, an employee of the US federal government, when this work was conducted and prepared for publication; therefore, it is not protected by the Copyright Act, and copyright ownership cannot be transferred. Please enter the names of each person separated by a comma.
